MARBLING WITH SHAVING FOAM

You will need

- A tray or a baking tray or a shallow dish
- Spatula or piece of card
- White shaving foam
- Paper
- Acrylic paint, thinned with water or food colouring
- Paintbrush
- Ruler or piece of cardboard
- Cocktail stick or the end of a paint brush

1. Shake the can of shaving foam and spray it into the shallow dish/ baking tray or tray. You need a layer of shaving foam about 1cm deep. Smooth the surface of the foam with a spatula or piece of card.
2. Use a paintbrush to drop paint or food colouring onto the surface of the shaving foam.
3. Use a cocktail stick or the end of a paintbrush to swirl colours together to make a marble effect on top of the Shaving foam.
4. Lay a piece of paper onto the surface of the paint and shaving foam.
5. Gently lift the paper off the shaving foam.
6. Scrape off the shaving foam with a ruler or piece of cardboard.
7. Leave to dry
8. Take a photo and share it with us on Instagram (@morrisingallery) or Twitter (@wmgallery) using the hashtag #WMGfamilies
